

Effective Date: March 2, 2026

SOUTH BERWICK SEWER DISTRICT (SBSD) POLICY ON RESPONSIBILITY FOR SEWER LINE MAINTENANCE/REPAIR BETWEEN USERS AND SBSD

- The Owner is responsible for the sewer line from the dwelling/business to the SBSD main. See Diagram 1 below.
- SBSD is responsible for the sewer main lines.
- The Owner must immediately notify SBSD by calling (207) 252-4274 upon discovery of a backed-up sewer line.
- SBSD will inspect the sewer main to determine whether the blockage is in the main line or in the user's sewer line.
- SBSD will provide maps, locations, and depths of sewer lines to assist the owner in repairing their line.
- SBSD will take control of repairs if the sewage backup causes environmental impact; the owner will bear all costs for repairing their sewer line.
